

- LEGEND**
- Borehole with Geologic and/or Geophysical Log Point ID and Elevation (feet amsl) listed
 - Study Area
 - Permit Boundary
 - Mine Pit
 - Township and Range

NOTE

Coordinates and elevations were obtained from data source. Accuracy may vary. Point ID, coordinates, elevation and data source are provided in Appendix 2.5-7.

REFERENCE

Study Area: Golder, 10/18/2007.
Permit Boundary: IEI, 11/12/2009.
Mine Pits: Norwest, 01/20/2010.
Township, Range and Section: ND HUB, 6/20/2006.
USGS 1:100,000 Scale Topographic Quadrangles drawn from TOPO: Belfield, Grassy Butte, Killdeer, Dickinson.
Projection: StatePlane, North Dakota South, NAD27, Feet.
