NOTES

Structure type/use is only shown for structures outside the Permit Boundary, but within 0.5 miles of the Permit Boundary. Descriptions of the structures inside the Permit Boundary (i.e., those identified as inset polygons with labels) are provided in Table 2.7.1-6.

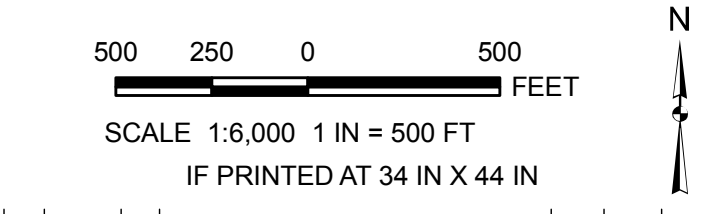

The scale of all inset frames is 1:1,500.

Detailed information regarding the production and use of cropland fields and pastures (fenced areas for grazing, not tame pastureland) is provided in Section 2.7.1 and attendant tables. The field and pasture identifications on this map correlate to data provided in these sections.

Additional information related to Native Vegetation, Tame Pastureland, Woodlands, Shelterbelts, and Wetlands is provided in Section 2.7.2 and attendant figures and tables.
